

## Installing the Manage MyTVs App to an Android Device

1. Go to the Play Store app using your Android Device.
2. Using the Search feature, type in **managemytvs**.
3. Once the Manage MyTVs app for Innovative Systems L.L.C. has been found, install the app on your device.

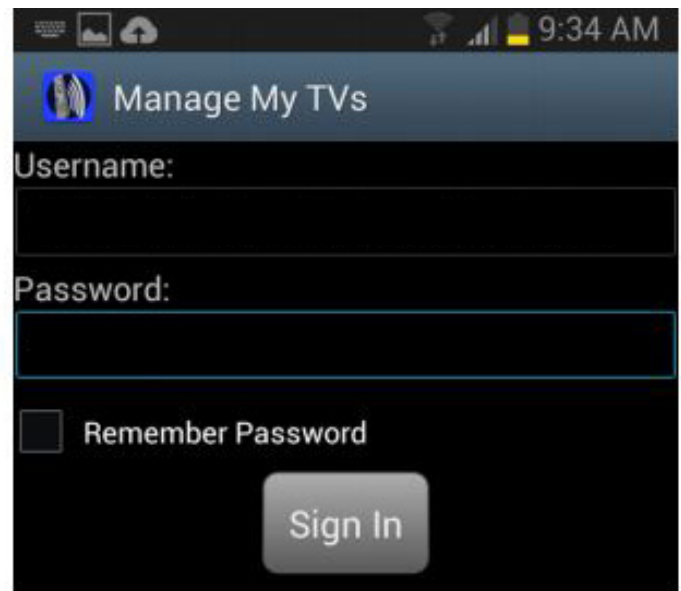

4. You will then be prompted to enter the server address in the URL field, which is 216.222.162.94 OR managemytv.celectcom.net.
5. You will then be prompted to enter a username and password. The username and password is populated by a Mosaic Telecom Sales Associate, please call 715.458.5400 to complete registration.

6. Once your given username and password have been entered, the app should begin loading.

*Note: It can take up to three minutes to build your data for the first time.*

7. Once the account is verified, you should be directed into the Guide information and you can begin your Manage MyTVs app experience.

The screenshot shows the 'Manage My TVs' app interface on a mobile device. At the top, there is a status bar with the time 9:34 AM and various icons. Below the status bar is a header with a TV icon and the text 'Manage My TVs'. The main content area contains a 'Username:' label followed by an empty text input field, a 'Password:' label followed by an empty password input field, and a checkbox labeled 'Remember Password'. At the bottom center, there is a 'Sign In' button.
